

Below, please find details of those who played on Badminton teams at Limavady Grammar School.

As with the other sports featured in this archive, the number preceding the pupil name is the school registration number of that particular pupil. If the number does not appear then that is either because there is no surviving school report in school detailing that pupil's activities or the activity is not recorded on their report. The only other information we have therefore is taken from the school magazine, Roesian.

If you, the reader, have any relevant information that would improve this archive, we would be hugely grateful. Thank you.

Words in italics are taken directly from Roesian.
