

PROVISIONAL CHOICE OF GCSE SUBJECTS

YEAR 10 2024

Name:

Form:

In addition to the GCSE subjects shown, Games and LLW will be taken as enrichment. There will also be 1 period of statutory RE enrichment for all pupils.

Please refer to the booklet for details on each of the subjects below.

[A]					No of GCSEs
You must study:	Mathematics	✓	English	✓	2

You then have some choices to make. Make your choices by ticking the appropriate boxes.

[B]	SCIENCE OPTION	Tick	
Choose	(a) Single Award Science	<input type="checkbox"/>	1
	(b) Double Award Science	<input type="checkbox"/>	2
a, b or c	(c) Biology AND Chemistry AND Physics	<input type="checkbox"/>	3

It may be in the best interests of some pupils who have opted for Double Award Science to study Single Award Science. These pupils will be advised of this opportunity in due course.

If you have chosen Science Option (a) you **MUST** choose SIX subjects from group D. If you have chosen Science Option (b) you **MUST** choose FIVE subjects from group D. If you have chosen Science Option (c) you **MUST** choose FOUR subjects from group D. Select your subjects in preferred order: 1, 2,3 and **indicate TWO reserve subjects with R1 and R2.**

[C]	Art & Design		Geography		4 OR 5 OR 6
Choose four OR five OR six	Business Studies		Health & social Care		
	Child Development		History		
	Digital Technology (Multimedia)} OR		Music		
	Digital Technology (Programming)		Physical Education		
	Drama/Performing Arts		Religious Studies (full course only)		
	English Literature		Spanish		
	Food & Nutrition		Technology Systems} OR		
	French		Technology Product Design}		
	Further Maths				

This is not a final choice, but option blocks will be created from the choices you make on this form. You may be given the opportunity to change your mind at your careers interview but remember that the option blocks will already have been created. It should also be noted that not all subject combinations may be possible and that some subjects may not run.
